3. DEALINGS WITH US

- 3.1. We will act as principals in Transactions with you and not as agents on your behalf.
- 3.2. You will enter into each Transaction with us as principal and not as agent for any undisclosed person. This means that unless we have otherwise agreed in writing, we will treat you as our Client for all purposes and you will be directly and personally responsible for performing your obligations under each

Transaction entered into by you, whether you are dealing with us directly or through an agent. If you act in connection with or on behalf of someone else, whether or not you identify that person to us, we will not accept that person as an indirect Client of ours and we will accept no obligation to them unless otherwise specially agreed by us in writing.

- 3.3. Dealings with you will be carried out by us on an execution-only basis unless otherwise agreed by us.
- 3.4. You agree that, unless otherwise provided in this Agreement, we are under no obligation:
 - a) to satisfy ourselves as to the suitability of any Transaction or Contract for you;
 - b) to monitor or advise you on the status of any Transaction;
 - c) to make Margin calls; or
 - d) to Close Out any Transaction that you have opened.
- 3.5. You will not be entitled to ask us to provide you with investment advice relating to a Transaction or ask us to make any statement of opinion to encourage you to open a particular Transaction.
- 3.6. We may, in our absolute discretion, provide information:
 - a) in relation to any Transaction about which you or your authorized representative have enquired, particularly regarding procedures and risks attached to that Transaction; and
 - b) by way of factual market information.

We will, however, be under no obligation to disclose such information to you and in the event of us supplying such information it will not constitute personal advice. If, notwithstanding the fact that dealings between you and us are on an execution-only basis, a representative of MultiFi International Ltd makes a statement of opinion (whether in response to your request or otherwise) regarding any Financial Product or Transaction, you agree that it is not reasonable for you to, nor will you be entitled to, rely on a such statement and that it will not constitute personal advice.

- 3.7. You acknowledge and agree that:
 - a) any information given by us in respect of your dealings with us constitutes general financial product advice only;
 - b) any information provided to you will not take into account your personal objectives, financial situation or needs; and
 - c) you should, before opening any Transactions, consider the appropriateness of the information, having regard to your personal objectives, financial situation and needs.

- 3.8. You agree to rely on your own judgement in opening, Closing Out, or refraining from opening or Closing Out a Transaction with us.
- 3.9. We will not, in the absence of fraud, willful default or negligence be liable for any Loss (including, without limitation, indirect or consequential losses or loss of opportunity or profits arising from any failure by you to make any anticipated profits), costs, expenses or damages suffered by you arising from any inaccuracy or mistake in any information or advice, or unsuitability of any advice, given to you, including without limitation, information or advice relating to any of your Transactions with us.
- 3.10. Subject to our right to void or Close Out any Transaction as set out in this Agreement, any Transaction opened by you following such inaccuracy or mistake will nonetheless remain valid and binding in all respects on both you and us.
- 3.11. You acknowledge that information contained in the Contract Details is indicative only and may, at the time when you open or Close Out a Transaction, have become inaccurate. The more accurate details will be those displayed in your Account through the Electronic Trading Service.
- 3.12. You agree that, subject to the Applicable Laws, Rules and/or Regulations, we may provide you with any such supplementary Product Disclosure Statement or new Product Disclosure Statement by publishing it on our website(s). In addition, we may in our discretion, send any supplementary Product Disclosure Statement or new Product Disclosure Statement to you by email or by post at the relevant email address or postal address last notified by you to us.
- 3.13. We reserve the right to require you to pay or reimburse us for stamp duty and/or transfer taxes in the event of a change in the basis of stamp duty rates, transfer tax rates or the Applicable Laws, Rules and/or Regulations. We also reserve the right to charge you for the provision by us to you of market data (be that raw or derived market data) but we will notify you beforehand if these charges will be applied.
- 3.14. We offer different types of Accounts with different characteristics and features. Depending on your knowledge and experience and the type of Transactions you generally enter into with us, some of these Account types may not be available to you. We reserve the right to convert your Account into a different account type if, acting reasonably, we determine that a different type of account is more appropriate for you. We also reserve the right to change the features and eligibility criteria of our accounts at any time and we will provide prior notification of such changes on our website, by email or on our Electronic Trading Service.
- 3.15. From time to time, we may make additional services or specific types of Financial Products available to you, for example, spot foreign exchange contracts. Such additional service or Financial Products may be subject to special conditions.

- 3.16. MultiFi International Ltd has discretions under this Agreement, which can affect your Transactions. You do not have any power or right to direct how we exercise those discretions. We will, however, have regard to our obligations under our Securities Dealer License (“*SDL*”) when exercising our discretion.

4. CLIENT ACKNOWLEDGEMENTS

- 4.1. You, the Client, acknowledge and confirm to us for our benefit in relying on the following:

- a) you (or, if a corporate entity, your directors) have read and understood all documentation provided to you by us including this Agreement and any other disclosure documents in relation to any Financial Products which you request MultiFi International Ltd to make available to you in relation to your Account;
- b) you agree to be bound by this Agreement;
- c) all dealings in Financial Products and the performance by us of our obligations under this Agreement are subject to the Applicable Laws, Rules and/or Regulations;
- d) MultiFi International Ltd relies on your representation that at all times you will be able to make payments and fulfil all commitments on your part arising under this Agreement and under the conditions applicable to dealings between you and MultiFi International Ltd;
- e) that trading in Transactions incurs a risk of loss as well as a potential for profit;
- f) that dealing in the Contracts is highly speculative and you may lose more than your Initial Margin, Variation Margin and other payments you make to us;
- g) it is your obligation to continuously monitor your Account and ensure that it constantly has sufficient Margin Cover;
- h) you will indemnify and keep indemnified us and each of its related bodies corporate and their respective directors, officers, employees and agents from and against all sums of money, actions, proceedings, suits, Claims, complaints, Loss, demands, damages, costs, expenses and any other amounts whatever claimed against any of them;

- j) if errors have occurred in the pricing of Transactions quoted by us to the Client, we may choose not to be bound by such Transactions (without further liability to the Client) if we believe that there was a Manifest Error at the time of the Transaction;

- k) Financial Products traded on the Electronic Trading Service will not be settled by the physical or deliverable settlement of the Underlying Instrument. Depending on the Financial Product, they are generally rolled or “swapped” indefinitely until Closed Out; - electronic trading service;
- l) an Open Position must remain open for the minimum period of time as determined by us and cannot be Closed Out by you during this period;
- m) the English version of this Agreement prevails over any other translated version of this Agreement; and
- n) You agree with the deposit and withdrawal terms set out in our ‘Deposits and Withdrawals Policy’

4.2. You acknowledge and authorize us to record any or all incoming and outgoing phone calls with you without making a disclosure to you, every time you speak with a representative of MultiFi International Ltd. These calls may be recorded with or without an audible tone. You agree have we may use such recordings for the purposes of monitoring and training its staff, monitoring compliance with you and our respective regulatory and contractual obligations and resolving disputes. If there is a dispute between you, and us you have the right to listen to any recording of those conversations (if still available). Nothing in this Agreement obliges us to keep a recording or to notify you that we have eliminated a recording.

4.3. Recordings may be used to assess the performance of or to train our representatives, monitoring compliance with our respective regulatory and contractual obligations and resolving disputes.

4.4. You agree to examine the terms of each Confirmation immediately upon receipt and you agree that the contents of a Confirmation, in the absence of Manifest Error, will be conclusive evidence of the executed Transaction, unless within forty-eight (48) hours of the issue of a written Confirmation you notify us of any disputed detail in the Confirmation received by you.

4.5. Complaints (which do not include disputed details) must be referred to us in accordance with our policies and procedures from time to time for dispute resolution. Unresolved complaints can be referred to the Financial Services Commission of Mauritius (FSC) at: FSC House 54 Cybercity, Mauritius.

4.6. All representations, warranties and acknowledgments given by you under this Agreement are taken to have been made at the time you complete the Application Form and are taken to have been repeated by you:

- a) each time you place an Order with us;
- b) each time you enter into a Transaction with us; and
- c) each time we do anything or refrain from doing something under this Agreement or as contemplated by this Agreement in connection with your Account or any Transaction.

5. CLIENT ACCOUNTS

- 5.1. All of your dealings (including Transactions) will be within your Client Profile established with us, which may include several trading accounts within that Client Profile.
- 5.2. Unless you have specifically requested us to open separate Accounts, you will be taken to have only one Client Profile, with Transactions in respect of each Financial Product or financial service provided to you being recorded under that Client Profile.
- 5.3. A Client may be comprised of two or more persons. If the Client is comprised of more than one person then the Account will be deemed to be held by the persons as joint tenants. The joint holding will only be deemed not to be held as joint tenants if there is a court determination that it is not held as joint tenants.
- 5.4. Each person constituting the Client (as recorded on the Application Form) is jointly and severally liable for the obligations under this Agreement, and we may act on the instructions of any one of those persons.
- 5.5. The calculations, reporting and administration may be performed by us separately for each Account, so that (without limitation):
- a) Margin calculations may be managed, and enforcement action may be taken for each Account separately;
 - b) we may at any time aggregate one or more Accounts (for reporting or managing Margins or otherwise for the purposes of this Agreement), even if you cannot immediately access reports for aggregated Accounts.
- 5.6. We may, with or without prior notice, and in addition to any other rights we have under this Agreement, do any one of or all of the following:
- a) Close-Out or cancel all or part, as we reasonably consider appropriate, any Transaction;
 - b) reduce your positions limits;
 - c) refuse your Orders;
 - d) suspend your Account (if we reasonably consider that appropriate);
 - e) terminate this Agreement (if we reasonably consider that appropriate);
 - f) adjust the price, size or value of an Open Position; or
 - g) adjust the Margin Cover requirement.

6. QUOTES AND PRICING

- 6.1. Upon your request and in accordance with this clause we will quote a higher and lower figure for each Transaction (“*our Bid and Ask prices*”). Subject to clause 7.10, either these figures will be effectively based on

comparable Bid and Ask prices in the Underlying Market or they will be our own Bid and Ask prices.

- 6.2. You acknowledge that our Spreads can widen significantly in certain circumstances and that they may not necessarily be the same size as the examples given in the Contract Details or on the Website and that there is no limit on how large they may be.
- 6.3. You acknowledge that when a Transaction is Closed Out, the Spread may be wider or smaller than the Spread when the Transaction was opened. You acknowledge that we will set such figures in our reasonable discretion. The Spread quoted by us will reflect our view of prevailing market conditions.
- 6.4. You acknowledge that our Quotes for dealing in our Financial Products are indicative only and so, are subject to the actual Quote at the time of execution of your Transaction. There is no assurance that the Contracts will actually be dealt with at the indicative Quote, especially if you delay placing the Order.
- 6.5. Quotes can only be given, and Transactions made during the open market hours of the relevant Exchange or market on which the Underlying Instruments are traded. The open hours of the relevant Exchanges are available on the Electronic Trading Service under the specifications of each Underlying Instrument.
- 6.6. We may, at any time and in our sole discretion, without prior notice impose limits on our Financial Products in respect of particular Underlying Instruments. Ordinarily, we would only do this if the market for the particular Underlying Instrument has become illiquid or its trading status has been suspended or there is some significant disruption to the markets, including the Electronic Trading Services.
- 6.7. You should be aware that the market prices and other market data, which you view through the Electronic Trading or other facilities, which you arrange yourself, may not be current or may not exactly correspond with the prices for our Financial Products offered or dealt by us.
- 6.8. If you access your Accounts and the Electronic Trading Services outside of the hours when Orders may be accepted, you should be aware that the Orders may be processed at a later time when the relevant Exchange or market is open to trading, by which time the market prices (and currency exchange values) might have changed significantly.
- 6.9. We may notify you of certain Financial Products in respect of which we will not provide a Quote, restrictions on the amount for which we will price, or other conditions that may apply to our Quote, but any such notification (or failure to notify) will not be binding on us.
- 6.10. If we choose to provide a Quote, we may provide it either verbally, by telephone or electronically via our Electronic Trading Services or by such other means as we may from time to time notify to you.

- 6.11. Our provision of a Quote (whether by telephone, Electronic Trading Service, or otherwise) does not constitute an offer for you to open or Close Out a Transaction at those levels.
- 6.12. You can only enter into a Transaction at the Quote provided by us (including through the Electronic Trading Service). We may, acting reasonably, accept or reject your Order at any time until the Transaction has been executed or we have acknowledged that your Order has been withdrawn.

7. ORDERS

- 7.1. You enter into a Transaction with us by placing an Order and when that Order has been received and accepted by us. Our acceptance of an Order to open or Close Out a Transaction, and thus the execution of the Transaction, will be evidenced by a Confirmation.
- 7.2. Any delay or errors in the transmission of an Order or the execution of your instructions will not be our responsibility nor are we liable for them (except to the extent that responsibility cannot be excluded by law).
- 7.3. You do not have a contract with us unless and until the moment, your Order is actually executed. This will be shown on your Account.
- 7.4. If we become aware that any of the factors set out in clause 7.5 (but we are not limited to only these factors) are not satisfied at the time you place an Order (in our reasonable opinion), we reserve the right to reject your Order. If we have already opened or Closed Out a Transaction prior to becoming aware that a factor set out in clause 7.5 has not been satisfied (in our reasonable opinion) we may, in our absolute discretion, either treat such a Transaction as void from the outset or Close Out the Transaction at the prevailing price or take any other steps that we consider necessary (as determined by us).
- 7.5. The factors referred to in clause 6.4 include, but are not limited to, the following:
- a) the Quote must be obtained from us;
 - b) the Quote must not be expressed as being given on an “indicative only” or similar basis;
 - c) if you obtain the Quote by telephone:
 - (i) it must be given by a representative of MultiFi International Ltd;
 - (ii) your Order must be given during the same telephone conversation in which you obtained the Quote; and
 - (iii) the MultiFi International Ltd’ representative must have confirmed that the Order has been accepted by us;

- d) if you obtain the Quote electronically via our Electronic Trading Service, your Order and our acceptance of it, must be given while the Quote is still valid;
 - e) the Quote must not be a Manifest Error;
 - f) when you place an Order, the number of shares, contracts or other units in respect of which the Transaction is to be opened must be neither smaller than the Minimum Trade Size nor larger than the Normal Market Size;
 - g) when you offer to Close Out part but not all of a Transaction, both the part of the Transaction that you offer to Close Out and the part that would remain open (subject to our acceptance of the Order) must not be smaller than the Minimum Trade Size;
 - h) a Force Majeure Event must not have occurred;
 - i) when you offer to open a Transaction an Event of Default must not have occurred, nor must you have acted in such a way as to trigger an Event of Default;
 - j) the telephone or Electronic Conversation in which you place an Order must not be terminated before we have received and accepted your Order;
 - k) when you offer to open or Close Out any Transaction, the opening of the Transaction must not result in you exceeding any credit or other limit placed on your dealings with us.
- 7.6. We may refuse to accept an Order (including but not limited to any Order that relates to black-box trading, scalping, churning, arbitrage or any similar trading practices) and we may place a limit on any Order or place other conditions on the receipt of instructions or Orders, in our absolute discretion and for any reason.
- 7.7. We may at any time use, add and change filters within an Electronic Trading Service, which prevents the delivery of Orders or execution of Orders. We will notify you of any refusal or limitation as soon as reasonably practicable, unless we are prevented by law or by a direction from a regulatory authority from notifying you.
- 7.8. We may cancel or amend an Order:
- a) if required by Applicable Laws, Rules and/or Regulations to do so;
 - b) in the event of an error (including a Manifest Error);
 - c) if we consider the cancellation or amendment appropriate, having regard to the desirability to maintain a fair and orderly market, our obligations as the holder of an SDL or as a participant or user of the relevant Exchange and our other legal and regulatory obligations; or
 - d) if the Underlying Instrument, the subject of the Transaction has been subject to a trading halt on an Exchange and you have not reconfirmed instructions.

- 7.9. We reserve the right to refuse an Order, which is larger than the Normal Market Size. Our Quote for a Transaction equal to or greater than Normal Market Size is not guaranteed to be within any specific percentage of any Underlying Market or related market quotation and our acceptance of your Order may be subject to special conditions and requirements that we will notify you at the time we accept your Order. We will inform you of the Normal Market Size for a particular Transaction if requested by you.
- 7.10. Where an Underlying Instrument trades on multiple Underlying Markets, you agree that we may, but are not required, to base our Quote on the aggregate prices in the Underlying Markets for the Underlying Instrument.
- 7.11. We will make reasonable efforts to effect any instructions to cancel or amend Orders as quickly as possible. If, however, an Order is filled prior to a cancellation or amendment instruction being effected, you are obliged to accept the Transaction on the original terms prior to your amendment or cancellation instruction, unless the Transaction itself is canceled or amended.
- 7.12. You acknowledge that we do not operate any discretionary accounts and we will, unless otherwise expressly provided by this Agreement, only act on your instructions.
- 7.13. Unless otherwise specified in this Agreement, all Orders will remain open until either canceled by you or purged by the Electronic Trading Service. We do not accept responsibility for reinstating lapsed Orders or for contacting you to seek new instructions.
- 7.14. You must not instruct us to submit an Order to enter into a Transaction which would breach or cause us or any other person to breach the Act, the Applicable Laws, Rules and/or Regulations or any other laws including, without limitation, any law or the Rules in relation to:
- a) market manipulation, false trading, market rigging, fictitious transactions, black box trading, high-frequency trading, scalping, churning, wash trading or matching of Orders;
 - b) insider trading;
 - c) short selling;
 - d) creating a disorderly market or otherwise prejudicing the integrity or efficiency of the market; or
 - e) misleading or deceptive conduct.

8. CONFLICTS OF INTEREST

- 8.1. We are required by law to take all reasonable steps to identify conflicts of interest between ourselves, our Associated Companies and our Clients, or between one Client and another, that arise in the course of providing our financial services.

- 8.2. Subject to the Applicable Laws, Rules and/or Regulations, we may pay to and accept from third parties (and not be liable to account to you) benefits, commissions or remunerations which are paid or received as a result of Transactions entered into by you.
- 8.3. We may give general financial product advice or provide other financial services (in accordance with our SDL) to another Client about or concerning the Underlying Market in relation to which you enter a Transaction.
- 8.4. We are not under any obligation to account to you for any profit, commission or remuneration made or received from or because of Transactions or circumstances in which we have a material interest or where in particular circumstances a conflict of interest may exist.
- 8.5. You acknowledge that you are aware of the possibility that the conflicts disclosed in this clause will arise and consent to us acting notwithstanding such conflict.

9. OPENING A TRANSACTION

- 9.1. The particular terms of each Transaction are agreed between you and us before entering into a Transaction.
- 9.2. Before you enter into a Transaction, you are required to have sufficient Account Value to satisfy the Initial Margin requirements for the relevant number of contracts. The payments you make to us are either held as Margin or withdrawn to pay the amounts for Realized/Unrealized Losses or any fees and charges, which you may owe.
- 9.3. You will open a Transaction by “buying” or “selling”. In this Agreement, a Transaction that is opened by “buying” is referred to as a “Buy Transaction” and may also, in our dealings with you, be referred to as “long” or “long position”. A Transaction that is opened by “selling” is referred to as a “Sell Transaction” and may also, in our dealings with you, be referred to as “short” or “short position”.
- 9.4. When you open a Buy Transaction, the Opening Level will be the higher price quoted by us for the Transaction and when you open a Sell Transaction, the Opening Level will be the lower price quoted by us for the Transaction.
- 9.5. A Transaction must always be made for a specified number of the Underlying Instrument.
- 9.6. Subject to any other provision in this Agreement, each Transaction opened by you will be binding on you notwithstanding that by opening the Transaction you may have exceeded any credit or other limit applicable to you or in respect of your dealings with us.

10. CLOSING A TRANSACTION

A. Transactions with no Expiry Date

- 10.1. Subject to any other provision in this Agreement and any requirement, which we may specify in relation to Linked Transactions, you may Close Out an Open Position or any part of such Open Position at any time.
- 10.2. When you Close Out an Open Position, the Closing Level will be, if you are Closing Out an Undated Buy Transaction, a lower figure than quoted by us and, if you are Closing Out an Undated Sell Transaction, a higher figure than quoted by us.
- 10.3. At any time, you may give MultiFi International Ltd a notice of your intention to Close Out any Transaction (whether in whole or part) by specifying the Underlying Instrument and the quantity that you wish to close. This must be done by you placing an Order, which, if accepted, would Close Out the Undated Transaction that you wish to close.
- 10.4. Upon receipt of notice of intent to Close Out an Undated Transaction (by way of receiving your Order), MultiFi International Ltd will use reasonable endeavors to provide the Closing Level (by way of indicating prices to Close Out your Open Positions) and notify you of that quote (by the Electronic Trading Service or otherwise). It is your obligation to notify MultiFi International Ltd as soon as possible as to whether you are willing to accept the Closing Level. If you accept the Closing Level quoted by MultiFi International Ltd, the Undated Transaction, or relevant portion of the Undated Transaction, will be Closed Out by issuing you with a Contract which is equal but opposite to the open Contract, or relevant portion of the Contract, to be Closed Out.
- 10.5. If the Underlying Instrument for the Contract is on terms that provide for its redemption, exchange or termination and you do not give notice to MultiFi International Ltd of your intention to Close out the Contract or to roll it over on terms and by the time acceptable to MultiFi International Ltd (whether or not you have any prior notice of that), you will be deemed to have given notice to MultiFi International Ltd to Close Out that Contract at the Closing Level reasonably determined by MultiFi International Ltd. In this case, MultiFi International Ltd will Close Out the Contract as at the time it determines.
- 10.6. At the Close Out, if there is a difference between the Closing Value and the Contract Value of the Contract it must be accounted for in the following way:
- a) if the Closing Value is greater than the Contract Value, the Short Party must pay to the Long Party the difference; and
 - b) if the Closing Value is less than the Contract Value, the Long Party must pay to the Short Party the difference.

B. Transactions with an Expiry Date

- 10.7. Subject to this Agreement and any requirement we may specify in relation to Linked Transactions, you may Close Out an open Expiry Transaction or any part of such open Expiry Transaction at any time prior to the Last Dealing Time for that Transaction.

- 10.8. Details of the applicable Last Dealing Time for each Expiry Transaction will normally be available in our Electronic Trading Service under the specifications of each Underlying Instrument. It is your responsibility to make yourself aware of the Last Dealing Time or, as the case may be, the expiry time for a particular Expiry Transaction.
- 10.9. When you Close Out an Expiry Transaction prior to the Last Dealing Time for the Expiry Transaction, the Closing Level will, if the Expiry Transaction is a Buy Transaction, be the lower figure than quoted by us and if the Expiry Transaction is a Sell Transaction, the higher figure then quoted by us.
- 10.10. If you do not Close Out an Expiry Transaction in respect of an Underlying Instrument on or before the Last Dealing Time then, subject to clause 10.15, we will Close Out your Expiry Transaction as soon as we have ascertained the Closing Level of the Expiry Transaction. The Closing Level of the Expiry Transaction will be:
- a) the last traded price at or prior to the close of the applicable official closing quotation or settlement price in the relevant Underlying Market as reported by the relevant Exchange plus or, as the case may be, minus;
 - b) any Spread that we apply when such an Expiry Transaction is Closed Out. Details of the Spread that we apply when a particular Expiry Transaction is Closed Out will be set out in your Account.
- 10.11. You acknowledge that it is your responsibility to make yourself aware of the Last Dealing Time and of any Spread or commission that we may apply when an Expiry Transaction is Closed Out.
- 10.12. You acknowledge that it is your responsibility to make yourself aware of the next applicable contract period for an Expiry Transaction and that effecting the rollover of an Expiry Transaction may result in you incurring losses on your Account.
- 10.13. Any agreement as to rolling over an Expiry Transaction or any other Transaction is entirely at our discretion and we reserve the right to refuse to rollover an Expiry Transaction or any other Transaction, despite any instruction you have given us, if we determine, acting reasonably, that to effect a rollover would result in you exceeding any credit or other limit placed on your dealings with us.
- 10.14. Where we do effect a rollover of an Expiry Transaction or any other Transaction, the original Expiry Transaction will be Closed Out at or just prior to the Last Dealing Time and become due for settlement and a new Expiry Transaction will be created; such closing and opening terms will be on our terms.
- 10.15. Where an Expiry Transaction is in excess of four (4) times the Normal Market Size, or where any number of such Expiry Transactions are together in excess of (4) times the Normal Market Size, and where such Expiry Transaction(s) has not already been Closed Out prior to the Last Dealing Time, we reserve the right to automatically roll over the Expiry Transaction(s) to the

next contract period where we reasonably believe it is in your best interests or the best interests of our Clients as a whole to do so.

- 10.16. If we choose to roll over your Transaction(s), we will generally try to contact you before the Last Dealing Time, but for the avoidance of doubt we may roll your Expiry Transaction(s) even if we have not contacted you and we will not be liable whatsoever for not contacting you.
- 10.17. If a Transaction is Closed Out, or settlement for the difference being made:
- a) we will credit to your Account any amount payable by us to you; or
 - b) you must pay to us any amount payable by you to us in cleared funds in any such currency that we may require immediately upon the payment request being made.
- 10.18. If there is any surplus Margin in your Account, any amount owing by you in accordance with this will be settled in whole or in part by debiting your Account with us.
- 10.19. When you Close Out a Transaction, you must pay us any commission, fees and other charges as disclosed in, the Electronic Trading Service or the Website.
- 10.20. Unless we agree otherwise, all sums payable by you pursuant to this clause are due immediately upon the Closing Level of your Transaction being determined by us.
- 10.21. We reserve the right to alter the Closing Level.

- 16.3. You agree that we are entitled to all interest earned on money credited to any CMTA, unless you and us have otherwise agreed in writing.
- 16.4. You authorize MultiFi International Ltd to withdraw any or all money to which you are otherwise entitled in any CMTA maintained by MultiFi International Ltd to meet any liability, obligation or other Loss which you owe to MultiFi International Ltd including to pay for your Financial Products, an amount in respect of any Realized/Unrealized Loss on your Account, Margin, Margin Cover or Variation Margin).
- 16.5. When you pay money to MultiFi International Ltd in connection to a Transaction, you are also authorizing us for that money to be paid into a CMTA and that money will remain in there until withdrawn by MultiFi International Ltd to pay you amounts you are entitled to receive or to pay for amounts to which MultiFi International Ltd is entitled including to pay for your Financial Products (including, without limitation an amount in respect of any Realized/Unrealized Loss on your Account). If there has been a

Realized/Unrealized Loss on your Account after MultiFi International Ltd revalues your Account, MultiFi International Ltd is authorized under this Agreement to withdraw the equivalent amount of that Realized/Unrealized Loss from the CMTA to pay MultiFi International Ltd an amount to which MultiFi International Ltd is entitled.

- 16.6. You acknowledge that from the time any funds withdrawn from the CMTA in connection with your Transactions:
- a) you lose the protections given to a CMTA of that kind;
 - b) you are an unsecured creditor of MultiFi International Ltd for its obligations on your Transactions; this includes exposure as an unsecured creditor for payment to you of the net Account balance (if any) after closing all your Open Positions;
 - c) the funds are no longer held beneficially for you, but they become funds belonging to MultiFi International Ltd.
- 16.7. If you pay money into any CMTA maintained by us in anticipation of you creating and meeting any liability, obligation or other loss which you will owe to us including to pay for your Financial Products (including payment for Margin), by this Agreement, you authorize us to withdraw that money to pay us for any liability which later arises.
- 16.8. If there has been no movement on your Account after the date you become entitled to a transfer of your money held in such Account (notwithstanding any payments or receipts of interest or similar items) and we are unable to locate you despite having taken reasonable steps to do so, such money will be treated by us as unclaimed money and dealt with in accordance with the Applicable laws, Rules and/or Regulations.
- 16.9. You acknowledge that we will be under no obligation to pay interest on balances on your Account (and any fees we may take from such interest) and that you are therefore waiving and foregoing any entitlement to interest (and fees if any) under the Applicable Laws, Rules and/or Regulations or otherwise.
- 16.10. We retain all additional interest earned on client money held in a CMTA, or other approved deposit-taking institution.
- 16.11. We may invest any money in a CMTA according to the Client Money Regulations and you irrevocably authorize us to make such investments.
- 16.12. All money to which you are entitled under this Agreement will be paid to you directly to the bank account in your name, which you have notified to us (and not to any third party or third-party bank account), unless otherwise agreed in writing by us.
- 16.13. You acknowledge and agree that if there has been a Realized/Unrealized Profit on your Account after we re-value your Account, we will pay into or hold sufficient funds in the CMTA and credit your balance in the CMTA as Margin to reflect the adjustment for the Realized/Unrealized Profit so that those funds will be retained there for your benefit, until dealt with in accordance with this Agreement.

- 16.14. Some of our payment methods involve the use of third-party payment service providers (*'PSPs'*). When a deposit is made using a PSP who then credits MultiFi International Ltd' account with the PSP, MultiFi International Ltd will make a corresponding credit to the client's trading account and, following that, MultiFi International Ltd will make a payment to the CMTA for the client for the credited amount adjusted by any realized or unrealized profit/loss from client's trading activity during the day. In the ordinary course of business, this will happen on the same business day or the next business day. The timing depends on the client providing all required details, and the time PSP credits the relevant client payment to MultiFi International Ltd' account with the PSP (this does not mean receipt of funds by MultiFi International Ltd) which is subject to processing time by the PSP and differences in time zones.
- 16.15. The client's payment to the PSP is not always an automatic payment to MultiFi International Ltd. Payment to the PSP is at the client's risk. The PSP must then credit MultiFi International Ltd' account, which MultiFi International Ltd does not control.
- 16.16. MultiFi International Ltd' payment to the CMTA is a benefit for the client since MultiFi International Ltd will typically make the payment before MultiFi International Ltd receives funds from the PSP. Payment into the CMTA for the client's trading account with MultiFi International Ltd is subject to any realized or unrealized profit/loss from the client's trading activity during the day.
- 16.17. If MultiFi International Ltd becomes insolvent, you can be paid for any net credit balance in your Account, as follows:
- a) Any of your client money in the CMTA should be paid to you, after deduction for any amounts properly payable to MultiFi International Ltd for the CFDs or which you have otherwise agreed are payable to MultiFi International Ltd (and subject to any court orders to the contrary).
 - b) MultiFi International Ltd would review whether it can and should pursue recovery action against any of its Hedge Counterparties for any claim against them.
 - c) The precise amounts and timing of payments will not be known until the net position with the Hedge Counterparties is known.
 - d) The position of the Hedge Counterparties depends on what it recovers from its Hedge Counterparties and what it owes its clients.
 - e) MultiFi International Ltd will need to assess the amounts prudently available to pay CFD Clients and may choose to pay out interim amounts.
 - f) MultiFi International Ltd will need to assess fair and reasonable allocation to CFD Clients, having regard to, for example, amounts paid from the CMTA, Account balances and amounts recovered from a Hedge Counterparty.

17. MARGIN

- 17.1. Upon opening a Transaction, you will be required to pay us the Initial Margin for that Transaction, as calculated by us.
- 17.2. You acknowledge that the Initial Margin for certain Transactions (for example, Share CFDs) will be based on a percentage of the Contract Value of the Transaction and therefore the Initial Margin due for such Transactions will fluctuate in accordance with the Contract Value.
- 17.3. Initial Margin is due and payable to us before you enter into a Transaction (and for Transactions that have a fluctuating Initial Margin based on a percentage of the Contract Value, immediately on opening the Transaction and thereafter immediately on any increase in Contract Value taking place).
- 17.4. You agree that for different Financial Products there will be different Margin requirements, which will be displayed on our Electronic Trading Service under the specifications of each Underlying Instrument. The Margin requirements are subject to change without notice to you so you should make yourself aware of the Margin requirements.
- 17.5. You also agree that you have continuing Margin obligations to us to ensure that at all times during which you have open Transactions you have Margin Cover in your Account and that it is positive at all times.
- 17.6. You must maintain at least the amount of Margin Cover required by us, whether or not we give any notice to you to make those payments or whether or not you have actual notice of the required amount. The required amount of Margin Cover can change continuously and can change automatically, including over the weekend or other non-trading days. Your obligation to maintain at least the required amount of Margin Cover is continuous.
- 17.7. It is solely your responsibility to monitor and satisfy all Margin Cover requirements.
- 17.8. You are required to maintain the Margin Cover, which might mean you must deposit more Margin, whether or not we give you a Margin call and even if you are not contactable.
- 17.9. Deposited Margin is credited by MultiFi International Ltd at the time that cleared funds have been received into the CMTA and we have applied the payment to your Account or such other time as allowed by us, so a Margin Cover requirement for a Contract or other Transaction issued by us is not satisfied unless and until your payment is received in cleared funds into the CMTA and applied to your Account by us.
- 17.10. Your liability in respect of Margin requirements is not limited to your deposit of Initial Margin or Variation Margin. You are responsible to pay any deficit owing to us after the Close Out of a Transaction and if you default in payment of such deficit, we may pay the deficit out of the Account or realize any Financial Products held by us and apply the amounts or proceeds against that deficit and you are responsible for the full and prompt discharge of the

deficit (which exceeds the value of the Account) by making payment in full to us immediately when that deficit arises.

- 17.11. MultiFi International Ltd may (without prior notice to you) Close Out, but will not be obliged to Close Out or to attempt to Close Out, some or all Open Positions, at that time or any later time as we determine (whether in our discretion or by automatic trading platform management) if:
- a) your Margin Level falls below the Liquidation Level; or
 - b) you fail to maintain the required Margin Cover; or
 - c) at any time, and from time to time, MultiFi International Ltd determines that the value of all of your Open Positions (and not taking into account any cash balance in your Account) represents a substantial net unrealized loss to you such that, in our belief, the continued trading, or failure to Close Out, one or more of your Open Positions will or is likely to materially prejudice your Account Value.
- 17.12. Details of Margin amounts paid and owing by you are available by logging onto your Account.
- 17.13. Margin Deposits must be made in the form of cleared funds (paid into the nominated account of MultiFi International Ltd.
- 17.14. We are not under any obligation to keep you informed of your Account balance or Margin Cover requirements or to make Margin calls.
- 17.15. If we do (in our reasonable discretion) make Margin calls on you:
- a) we may do so by telephone call, post, fax, email, text message, push notification, live pop-up messaging, rich text messaging etc.
 - b) the Margin call will be deemed to have been made as soon as you are deemed to have received such notice in accordance with clause 17.5 above;
 - c) we will also be deemed to have made a demand on you by telephone if we have left a message requesting you to contact us and you have not done so within the time specified in our message;
 - d) it is your responsibility to notify us immediately of any change in your contact details and to provide us with alternative contact details and ensure that our calls for Margin will be met if you will be uncontactable at the contact address or telephone number notified to us (for example because you are traveling or are on holiday, or you are prevented from being in contact because of a religious holiday).
- 17.16. We will not be liable for any Losses, costs, expenses or damages incurred or suffered by you as a consequence of your failure to satisfy a Margin call or if we are unable to contact you in making a Margin call.
- 17.17. You agree with the terms set out in our Leverage, Margin, Margin Call & Margin Close Out Policy.

18. PAYMENTS, SET-OFF AND NETTING

- 18.1. We may require you to provide sufficient evidence (to our satisfaction) of the source of any funds you use to make any deposits to us and we reserve our rights to prohibit you from entering into any Contracts or Transactions until we are satisfied with the information (or evidence) you have supplied and that information (or evidence) does not give us any reason to suspect any illegality in respect of those payments.
- 18.2. payments by you to MultiFi International Ltd are:
- a) to be made without any set-off by you, counter claim or condition made by you and without you making any deduction or withholding for any Tax or any other reason unless the deduction or withholding is required by applicable law or the set-off arises by express application of this Agreement;
 - b) payable in any currency that MultiFi International Ltd may reasonably require or determine;
 - c) to be made on the date and time due for payment otherwise we will be entitled to charge interest on the overdue amount (at a minimum rate of LIBOR + 2%), accruing daily until the date of payment;
 - d) satisfied when we receive the payment in cleared funds; and
 - e) to be made in the currency of your Account (conversely, all payments by MultiFi International Ltd to you will be made in the currency of your Account, unless we determine otherwise in our reasonable discretion).
- 18.3. If you make payments to us in a currency that is not the base currency of your Account, you agree that we will make whatever necessary adjustments and conversions are required and you will be liable for any resulting losses, fees, currency conversion fluctuations or other applicable charges.
- 18.4. Without prejudice to MultiFi International Ltd right to require payment from you in accordance with this Agreement, we have the right (at any time) to set off any losses incurred or any amounts you owe in respect of your Transactions or any debit balances in any Account. If any loss or debit balance exceeds all amounts held, you must immediately pay us any excess whether demanded or not. You also authorize us to set off any amounts held by us for your benefit in a joint Account against losses incurred by the other joint holder.
- 18.5. If the total amount that is payable by one party is greater than the total amount that it payable by the other party, then the party by whom the larger total amount is payable must pay the excess to the other party and so the obligations to make payment of each party will be satisfied and discharged.
- 18.6. All payments to be made by you under this Agreement, which are due and payable, are due immediately on our verbal or written demand. Once requested, such payments must be paid by you, and must be received in full by us (in cleared funds) for your payment obligations to be satisfied.

- 18.7. In determining whether to accept payments from you under this Agreement, we will have utmost regard to our obligations under our SDL and Applicable Laws, Rules and/or Regulations. Accordingly, we may in our absolute discretion reject payments from you or a third party and return funds to their source.
- 18.8. In particular, we will not accept payments from a bank account if it is not evident to us that the bank account is in the Client's name.
- 18.9. Our failure or omission to enforce or exercise our right to insist on timely payment (including our right to insist on immediate payment of Margin) will not amount to a waiver or bar to enforcement of that right.
- 18.10. Time is of the essence in respect of any payment obligation under this Agreement.

A different rate of interest will normally apply to long and short positions. While your Transaction remains open, the amount of interest will be calculated and will accrue on a daily basis as follows:

Where applicable (e.g., where an Underlying Instrument is a stock or index in respect of which a dividend is paid) a dividend adjustment will be calculated for your Account in respect of Open Positions held over the ex-dividend day or time for the relevant Underlying Instrument. For long positions, the dividend adjustment will generally be the amount of the net dividend (net of any withholding taxes) receivable by the individual or entity holding the equivalent position in an Underlying Instrument and, in respect of non-Australian Instruments, will reflect normal market practice unless otherwise agreed with you. For short positions, the dividend adjustment will generally be the gross dividend amount, unless otherwise agreed with you, but this may depend on where the Underlying Instrument trades. Further details may be obtained from us on request. Dividends will be credited to your Account if you bought, i.e., opened a long position, and debited if you sold, i.e., opened a short position.

26.7. For certain Expiry Transactions, our quote (which is based on the Underlying Market) will include a forecasted dividend component. Such Expiry Transactions will not be adjusted for dividends as set out in clause [26.6](#) above. Note that, for such Expiry Transactions, in the event that there is declared or paid in respect of the relevant Underlying Instrument a special dividend or a dividend that is unusually large or small or payable by reference to an ex-dividend date that is unusually early or late or in the event that a previously regular dividend is omitted (in each case, having regard to dividend payments in previous years in respect of that same financial instrument), we may make an appropriate adjustment (including a retrospective adjustment) to the Opening Level or the size of the Transaction that relates to that Underlying Instrument.

 - (e) a distribution to existing holders of additional shares or other securities or other Financial Products granting them the right to receive dividends or other proceeds equally and proportionately with payments made to holders of the underlying securities; or securities, rights or warrants granting the right to a distribution of shares or to purchase, subscribe, or receive shares, in any case for payment (in money cash or money’s worth) at less than the prevailing market price per share as determined by MultiFi International Ltd.

3. OPENING A CFD TRANSACTION

- 3.1. You enter into a CFD Transaction either buying (going long) or selling (going short) a CFD. You go “long” when you buy a CFD in the expectation that the price of the Underlying Instrument to which the CFD relates will increase. This would have the effect that the price of the CFD would increase. You go “short” when you sell a CFD in the expectation that the price of the Underlying Instrument to which the CFD relates will decrease. This would have the effect that the value of the CFD would decline.
- 3.2. A CFD Transaction comes into existence when we have accepted your Order to enter into the CFD Transaction.

- 3.3. The obligation to pay any fees and charges as outlined in clause 14 of the Agreement (as the context requires) applies to CFD Transactions.
- 3.4. The Margin obligations outlined in clause 16 of the Agreement (as the context requires) applies to CFD Transactions.

4. CLOSING A CFD TRANSACTION

- 4.1. You acknowledge that:
- a) Most (but not all...) CFDs do not expire or have a fixed term of existence, so they must be Closed Out by you (or us).
 - b) CFDs with an expiry date will be governed by clauses 10.7 through 10.16 of the Agreement.
- 4.2. If you wish to close an Open Position in respect of a CFD Transaction, you enter into a new position, which is equal and opposite to the Open Position. To close a 'bought' or 'long' position - you sell. To close a 'short' or 'sold' position - you buy.
- 4.3. At the time that the Open Positions are Closed Out, the Electronic Trading Service will calculate the remaining payment rights and obligations to reflect movements in the Contract Value since the previous business close (including any other credits/debits). Since you enter into a position to Close Out the existing position, there may be a fee on the position used to close the position, which you agree to pay.
- 4.4. You may give us notice of your intention to close any CFD (whether in whole or part) by specifying the Underlying Instrument and the number of CFDs that you wish to close. This must be done by you placing an Order for a CFD Transaction, which, if accepted, would Close Out the CFD that you wish to close.
- 4.5. At the Closing Out of a CFD Transaction, if there is a difference between the Closing Value and the Contract Value of the CFD it must be accounted for in the following way:
- a) if the Closing Value is greater than the Contract Value, the Short Party must pay to the Long Party the difference; and –
 - b) if the Closing Value is less than the Contract Value, the Long Party must pay to the Short Party the difference.
- 4.6. If the issuer whose security represents the Underlying Instrument on which all or part of a CFD Transaction is based becomes insolvent, the CFD Transaction will be taken to have been Closed Out at that time. The Closing Price of the CFD Transaction will be determined by us and we may consider a number of factors we believe appropriate in the circumstances.
- 4.7. If the Underlying Instrument on which the CFD Transaction is based ceases to be listed for quotation on an Exchange, or is suspended or is halted from quotation, we may, in its absolute discretion, elect to terminate the relevant CFD Transaction and make necessary adjustments that we believe are necessary.

- 4.8. All adjustments or price calculations made by us in respect of a CFD Transaction are binding on you.

5. TRIGGER EVENTS

- 5.1. If an Underlying Instrument in respect of a CFD is subject to a Trigger Event, we will make the necessary adjustments to the CFD Transaction (including the Contract Value) that we believe is fair and reasonable in the circumstances. Any adjustment will take effect at the time that we determine.
- 5.2. If at any time, a Trigger Event occurs and it is not reasonably practicable as determined by MultiFi International Ltd in its absolute discretion to make an adjustment, MultiFi International Ltd may at any time after the Trigger Event give you notice of MultiFi International Ltd' intention to Close Out the CFD Transaction with the Closing Value being that notified to you by MultiFi International Ltd.

6. TERMINATING A CFD

- 6.1. You acknowledge that MultiFi International Ltd may terminate a CFD (apart from any other right to terminate) if:
- a) the Underlying Instrument ceases to be able to be traded on an Exchange or is subject to a trading suspension or trading halt for a period of more than five (5) Business Days;
 - b) a Trigger Event occurs and MultiFi International Ltd determines that it is not reasonably practicable to make an adjustment to the terms of a CFD under this schedule;
 - c) MultiFi International Ltd' rights under the relevant hedge contract or in respect of the relevant Underlying Instrument, are Closed Out, suspended or terminated by its hedge counterparty (which may occur automatically under the terms of any agreement between MultiFi International Ltd and the hedge counterparty); or
 - d) MultiFi International Ltd considers, acting reasonably, that the hedge counterparty or issuer of the Underlying Instrument may not be able to meet its obligations to MultiFi International Ltd under the terms of the hedge contract or Underlying Instrument or other contracts between MultiFi International Ltd and the issuer of the Underlying Instrument or the hedge counterparty.
- 6.2. If MultiFi International Ltd terminates a CFD under this clause or otherwise, MultiFi International Ltd will determine a termination value, payable by MultiFi International Ltd to you or by you to MultiFi International Ltd, which MultiFi International Ltd considers appropriate, acting reasonably, and having regard to the circumstances of termination, and the value (if any) of the Underlying

Instrument. The termination will take effect at the time determined by MultiFi International Ltd.
